++ Valid for broadcast between 0600 and 1800

Headline:

Dry and fine Tuesday with sunny spells.

Today:

A cold start, but then a dry morning with sunny spells and light winds. Pleasant spells of warm but often hazy sunshine through the afternoon. but a little clearer along the North Sea coast. Maximum temperature 17 deg C (63 deg F).

Tonight:

Staying dry overnight, with some clear spells, maybe allowing a patchy frost to form. Some mist patches are also possible, with a risk of coastal fog and low cloud developing. Minimum temperature 1 deg C (34 deg F).

Tuesday:

Dry and bright for much of the day, with periods of often milky sunshine, but becoming cloudier from the north later. Possibly misty toward the coast throughout the day. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:

Cloud and patchy rain spreading south across the region, clearing later and frosty overnight. Dry and fine through Thursday and Friday, feeling warm in the sunshine, but with overnight frosts.
